

**Nar-Anon New York Region History Committee**

# ***Call out for New York Nar-Anon Convention Flyers!***

## ***Help Us Preserve Our Shared History***

The **New York Nar-Anon Region History Committee** is gathering archival materials to preserve the story of our fellowship — especially items from the **1970s** through the early **2000s**, when Nar-Anon and NA often grew side-by-side in New York.

### **We are especially seeking:**

- “Joy in the Journey” Convention Flyers
- Any Nar-Anon NY Region event flyers
- Group, Area, or Regional announcements
- Flyers from NA conventions that included Nar-Anon participation

These materials help us honor the service of those who came before us and ensure that future members can understand how our fellowship grew.

### **How You Can Help**

If you have flyers, programs, newsletters, or personal collections, we would love to hear from you.

#### **You may:**

- Email scans or photos of your materials
- Let us know if you have originals you’re willing to lend for digitizing
- Share stories or context about the events connected to the flyers

All materials will be handled with care and respect for anonymity, Traditions, and fellowship voice.
