Greetings fellow Nar-Anoners! Well it's time to come out and plan our first one day NY Convention. We all miss our wonderful weekend conventions every year at Villa Roma. Covid has really taken a toll on our meetings and our fellowship, and this is a great way to slowly move back towards some kind of normalcy. CT has done it successfully two years in a row, and PA is already back to a full weekend convention.

In order to get this project off the ground, we need more volunteers. We already have 5 volunteers but we need more because there's a lot to do and a lot goes in to planning a convention.

So if you are looking to take on a new service commitment, planning a convention is a wonderful way to give back to the fellowship. It's a lot of hard work, but it's a lot of fun and you will feel very fulfilled.

So if you are interested in being part of a great experience, please contact me. I will need your name and contact information

Thank you and I look forward to spearheading this event!

All the best,
Kathy N
